**NATIONAL TRANSMISSION  
& DESPATCH COMPANY  
LIMITED (NTDC)**

# **SEMINAR**

## **FOR BRIEFING ON BIDDING DOCUMENTS**

National Transmission and Despatch Company Limited (NTDC) being major stakeholder of energy Sector is committed to become Business Role Model for the public sector backing the economic growth of the country. To achieve this objective, NTDC has enthusiastic expansion plans for construction of 220kV, 500kV and 765kV Transmission Lines, substations in near future under financing of donor agencies as well as NTDC's own resources. Besides, NTDC is developing HVDC transmission projects for bulk power transfers from south to north of the country.

Keeping in view the stringent timelines of the projects, some modifications in line with international practices have been proposed in the future Bidding Documents. In this context, a seminar is being arranged in Luxus Grand Hotel, Egerton Road Lahore on 02-01-2017 at 9:30AM for briefing.

We look forward for all related contractors/suppliers/manufacturers, whose participation has great value for us.

**CHIEF ENGINEER (MP&M) NTDC**

**SAVE ELECTRICITY FOR YOU AND NATION**
